"The words Riveting, Electrifying and Captivating only approximate the power of See the Poet's craftsmanship, showmanship, and salesmanship. When See speaks, everyone listens, even juvenile rap enthusiasts who found his presentation compelling." -Judge Ruby J. Thomas, Dekalb Juvenile Court and Save Our Students Academy. "See...? See is the Seventh Bullet. And what I mean by that is that there are times when we need a weapon, a weapon against hate and against the weight of the world. When you've done all you can and you can't take any more...you've fired your six shots, and you should be empty...and the only thing that can put a seventh bullet in your chamber is faith that comes from nowhere. That's See." -Synthian Sharp "Great writers are not made, they are first born and then appointed by God. It is now our time to See. God bless you always." -Andrea L. Mills www.andreamills.com See was definitely "born to write." His lyrics paint permeating pictures of real life in a way that makes you smell, taste and feel his words and his heart. His writings peer through the windows of the soul, so we can See what's really deep inside! Blessings to you always." -Daneea Badio, Winner of THE MESSENGERS, TLC 2006 "See is real. His words and vision remind you that you are alive and have choices and if you are alive then dream and if you dream-then do. Yes! Do something. The way he gives directive in life by sharing his own life experiences and the moral imperative are so real. See knows how to expressed and simplify. This book sounds like this: Dream. Then Do. Listen. Choose. Act. Dream. Then Do." -Cheryl Katherine Wash, Author of My Private Room, I opened the door and there was light.
